Board of Supervisors
West Goshen Township
1025 Paoli Pike
West Chester, Pennsylvania 19380

**Re: Recommendation to Award Contract
West Goshen Basin Retrofit (Idlewilde Basins)**

Dear Board of Supervisors:

HRG has reviewed the bids for the West Goshen Township Basin Retrofits Project which were received on March 8, 2021. All of the bids were in order and there were no irregularities.

The lowest responsible bid was submitted by Trio Excavating, Inc. in the amount of **\$145,001.95** for the Base Bid. Trio Excavating, Inc. is a qualified contractor who we have seen submit several bids in the region but have not had the pleasure of working directly with to date.

We recommend that the Board award this contract to Trio Excavating, Inc for a unit price bid amount of **\$145,001.95** for the Base Bid, subject to the following conditions:

1. Complete bid review by the Township Solicitor;
2. Execution of the Agreement Between Owner and Contractor;
3. Receipt of required insurance documents, and
4. Receipt of acceptable Performance and Payment Bonds.

The Engineer's cost estimate for the project, including the Base Bid was \$152,860 with a 10% contingency added for a total of \$168,146. For reference, the MEII grant has \$179,143 set aside for construction, so there will be a healthy contingency present should unexpected issues arise in the field during construction.

Attached is a certified bid tabulation and accompanying bid documentation for your files.

Sincerely,

HERBERT, ROWLAND & GRUBIC, INC.

Shawn E. Fabian, CPESC, CPSWQ
